

COMMANDER IN CHIEF
ALLIED FORCES SOUTHERN EUROPE

28 FEB 1977

Dear Ann and Franklin,

Many thanks for your heartwarming letter of congratulations on my nomination. I am delighted at the challenge in prospect but humble before the immensity of the responsibility. Your prayers and good wishes are deeply appreciated now as they will be in the future when we attempt to follow a course that is best for the future generations of America and of those people throughout the world who look to us.

Best wishes to you both and, again, my thanks.

Yours,

STANSFIELD TURNER
